ROSEMONT COMMUNITY ASSOCIATION

WELCOME!

The Rosemont Community Association (RCA) is a non-profit association working with home owners, renters and businesses to make Rosemont a great neighborhood in which to live and work. RCA sponsors fun annual events, helps keep our community clean and safe, and represents this area in public policy, planning and program formation.

Rosemont is the area bounded by Folsom Blvd in the north, S. Watt Ave to the west, Jackson Rd to the south and Bradshaw Rd to the east.

We publish a monthly newsletter, *Rosemont Community News*, that is distributed to members to keep the community informed. This insightful publication offers information on a multitude of topics like crime prevention, community development, youth programs, government and public policy, as well as a calendar of upcoming events. We also maintain a web page with much useful information and many helpful links at www.rosemontca.org.

RCA Encourages Neighborhood Support

RCA welcomes any support offered from members of our community. It is easy to become a member and play a vital role in our developing community. The annual membership dues are \$20. RCA is a non-profit organization and we need your continued support in order to better our community and its neighborhoods.

Get Involved

The RCA holds board meetings on the first Thursday of each month at 7:00 p.m. in the Multi-Purpose room at Atonement Lutheran Church, located at 9242 Kiefer Blvd. Everyone is welcome to attend our meetings and share insights and ideas with the board.

If you are interested in becoming a volunteer for the RCA, please circle your areas of interest on the backside of this brochure when you sign up or email us at info@rosemontca.org.
